## CANCELLATION POLICY

Our cancellation policy is as follows: you can cancel free of charge from your client account, under the tab «My bookings» by clicking on the red button «Unbook» up to 7 days before your session.

The FLEXI option, available on all our products, can be used up to 2 times per reservation and allows you to cancel/modify up to 36 hours in advance. This way, the session will be available for booking from your customer account.

Please note that any cancellation request outside of these conditions will unfortunately not be accepted. We would like to remind you that any cancellation for medical reasons can potentially be covered by your private insurance (credit card coverage, health insurance, accident insurance, etc.) and that an "Alaïa Bay Cancellation & Assistance Insurance" offered by Europ Assistance can be added to your purchase on our Internet site.

You will find more information in the terms and conditions attached to your invoice.
